

Upperthong Out of School Club

Complaints Policy

At Upperthong Out of School Club we aim to work in partnership with parents to deliver a high quality childcare service for everyone. If for any reason we fall short of this goal, we would like to be informed in order to amend our practices for the future. Our complaints policy will be displayed on the premises at all times. Records of all complaints will be retained for a period of at least three years.

The managers will generally be responsible for dealing with complaints. If the complaint is about the managers/owners then a senior member of staff will seek advice from the Kirlees support worker. Any complaints received about staff members will be recorded on an **Incident log** and a **Complaints log** will be completed. Any complaints made will be dealt with in the following manner:

Stage one

Complaints about aspects of Club activity:

- The manager will discuss the matter informally with the parent or carer concerned and aim to reach a satisfactory resolution.

Complaints about an individual staff member:

- If appropriate the parent will be encouraged to discuss the matter with staff concerned.
- If the parent feels that this is not appropriate, the matter will be discussed with the manager, who will then discuss the complaint with the staff member and try to reach a satisfactory resolution.

Stage two

If it is impossible to reach a satisfactory resolution to the complaint through informal discussion, the parent or carer should put their complaint in writing to the manager. The manager will:

- Acknowledge receipt of the letter within 7 days.
- Investigate the matter and notify the complainant of the outcome within 28 days.
- Send a full response in writing, to all relevant parties, including details of any recommended changes to be made to the Club's practices or policies as a result of the complaint.
- Meet relevant parties to discuss the Club's response to the complaint, either together or on an individual basis.

If child protection issues are raised, the manager will refer the situation to the Club's Child Protection Officer, who will then contact Social Care and follow the procedures of the **Safeguarding Children Policy**. If a criminal act may have been committed, the managers/owners will contact the police.

If allegations are made against the owners of the club regarding safeguarding issues then the LADO (Local authority designated officer) will be informed immediately as will Ofsted if a criminal act has been committed the police will be contacted .
